Leading Businesses. Leading Communities.™

The Bedford County Chamber of Commerce Government Affairs committee is proud to present the first session in our 2013 Government: It's Your Business series, featuring our region's elected officials, speaking about important issues relevant to the business community and citizens of Bedford County. These sponsorships are a valuable opportunity to promote your business or organization to this special demographic of the socially engaged public. The July 12th event is scheduled to feature our local PA legislators: Senator John Eichelberger, Senator John Wozniak, Representative Carl Metzgar and the new Representative from the 78th District (to be determined in the special election January 28th). We expect between 75 and 100 attendees for the panel discussion.
